

News Release January 11, 2007

Longevity Center MedSpa.com

Medical Spa unveils the coup d' grace of healing spas just in time for the New Year.

Set your spirit soaring with the feel-good-factor achieved by: releasing toxins, creating energy and fortifying your body. Experience excellence in advanced medical treatments under the gifted tutelage of renowned Medical Director, Dr. Robert A. DeJonge. Lavish yourself in the lap of luxury while you enjoy medicinal: massages, wraps, detox baths, chiropractic, facials, pedicures, colon hydrotherapy, & saunas. Our talented staff will ascertain your nutritional and hormone levels and offer on-site supplementation and bio-identical hormone replacement therapies. Uncover your inner beauty with true healing extraordinaires who specialize in customizing your head-to-toe treatments in a needle-free zone offering a cocoon of comfort. We are the spa for the heart and soul!
